Re: Chemetco Site, Madison County, IL: Request for Information dated February 22, 2008

Taft Law Firm Client: River Metals Recycling, LLC (Ft. Mitchell, KY)

Dear Mr. Roubitchek:

Confirming the voice mail message I left for you today, our firm represents River Metals Recycling, LLC in connection with the Chemetco Site. Today I received the IEPA Request for Information, and noted immediately that we had a timing problem in responding in the requested thirty days.

We have asked Company personnel to begin collecting the information requested by IEPA in order to provide a complete response. In the meantime, we request a thirty day extension to complete the search of records and location of personnel who may be familiar with this matter. If an extension of time presents a problem for IEPA, please contact me immediately. My mobile phone is 513-703-8088. If I do not hear from you, I will assume that a thirty day extension is granted up to and including April 25, 2008 for River Metals to respond.
